Fraser is distinguished by its slender profile and classic, understated styling. It can be adjusted for both height and width to fit virtually any insert or firebox. Use it as an elegant stand-alone surround, or add its mantel for a little extra weight and depth.

SIZES

Fraser's centre spanner and legs are cast in 48" lengths and can be cut to suit. The corners and mantel ends are standard.

CHOICES

The surround may be cast in any of our 12 integral colours. To complete the fireplace, we offer a wide selection of trim panel and hearth options.
