Solus Décor

Rondeau - 108

The Rondeau is a three-piece hand-cast concrete surround with optional inset panels that will suit a wide variety of decor styles and fireplace applications. It is available in one of 12 standard colors.

Naturally fire- and heat-proof, it requires no flammability clearance and is eco-friendly, manufactured utilizing post-industrial recycled materials. This concrete is smooth as soapstone in texture, structurally massive and solid feeling, and cast into delicate forms and elegant designs. It is a contemporary product with the weight and aesthetic feel of old-world stone. For more information, call (604) 255-2472 or *circle reader service number 109*.
