### Modern Concrete Fireplaces

**Solus** makes modern, minimalist, warm looking fireplace surrounds and tiles. It's rare to find such smooth finishes and deep, even colors in the company's medium of choice. concrete, but Solus achieves it in a variety of styles. Check the website for images of its 10 cast surrounds, and 4 tile shapes, which can be used on floors, walls, or of course, fireplaces. Don't see the concrete style of your dreams? Contact them. Solus can customize to meet your needs, everything's

handcrafted anyway.
